Dear Ms. Gee:

Just a short note to tell you how much I enjoyed my visit to the Greenbelt Children's Center.

Despite the rising costs and high turnover in child care centers across the country, your center truly sets the standard for excellence. With first-rate facilities and a caring staff, your facility is a model for child care in Prince George's County and across the State.

Thanking you for all that you do and with kindest regards, I am

Sincerely yours,

STENY H. HOYER
